

St. George Orthodox Church
Parish Council Meeting
November 12, 2023 - 12:30 pm
Agenda

I. Call to order and prayer

II. Approval of Minutes

III. Pastor's Report (Fr. Joel Gillam)

- There will be a collection taken for Palestine (Jersusalem Patriarchate)
- We are also accepting donations for Thanksgiving Food Boxes (\$40.00) and the Holiday Gift Drive, both for Hope-PHL (formerly PEC) to help needy families in Philadelphia.
- Bishop THOMAS will be visiting December 31 – January 1, 2024.
- Fr. Joel may or will be out of town for Theophany, January 6.

IV. Chairman's Report (Alex Ibrahim)

- Thanks to everyone who helped make the Annual Fall Family Day a success. Trunk or Treat and Chili Cook Off were wonderful
- Thanks to Gary for organizing Clean-Up Day
- We should consider what, if anything, we want to do about the people living in our stoops. This is a delicate situation and one we need to approach with love. Emma Ibrahim suggested fake video surveillance cameras, which would be easy to install and might help, but of course only sends the problem somewhere else.

V. Treasurer's Report (Tony Nasr)

- Special Olympics Collections: \$132
- Seminarians Collections \$100 (Minimum offering \$250 to Archdiocese)

See attached report.

VI. Committee Reports

a. Adult Education (Kerry San Chirico) – No Report.

b. Choir (Karen Burke)

Sunday Choir Rehearsals time change from 12:15 – 1 pm to 12:30-1:15.

c. Icon Committee (Caroline Becker) – No Report.

d. Long-Term Planning (Joseph Solomon)

1) Bathrooms are done (ok, we have 1 teeny tiny cosmetic fix left). Handicap bars are installed, automatic closers are installed, push/pull levers are installed and the women's handicap stall lock is installed/repaired. All that remains is a cosmetic fix in the women's room to cover up the door where the latch broke off.

2) Parking lot - Upper Darby Township gave us the go-ahead to put plans together for a parking lot in the annex should we decide to do that. The LTP committee will have a final in person meeting on December 10th (Eagles play at 4 PM that day) to really deeply discuss the prospects of parking and site improvements

3) Elevator / LULA - we had an elevator company come look at the site. They agreed that price would be in the 150K ballpark all in, but noted we definitely need a structural engineer involved. Joe Sr is trying to get a work colleague (Bob Linn) to stop by and take a look in the coming days/weeks

e. Maintenance Committee (Gary Sarkessian)

- Had Church Clean up day on Saturday, November 4 from 9:30 AM to 12 Noon.
 - Thank you Alex I, Joe Solomon Sr., Faris, Ronda and Emma for attending
 - Cleaned up trash outside (Joe S), Organized and cleaned kitchen (Emma, Ronda, Faris)
 - Removed old table that was outside (Alex, Faris)
 - There is still wood outside
- Gary's Meeting announcement ran out for Monday November 6th meeting, so tried to send out one last minute. It was too late and we did not hold it
- Tony finished fixing the lady's room stall lock on 11/5
- Solomons (Joe/Joseph) installed bathroom door closers and locks.
- Need to set the thermostat at the Annex so pipes don't freeze
- Cynthia L. has been cleaning up the outside window wells and grass clippings and other "messes."
- When did we last get billed for having the grass cut? (Answer: September)
- The sump pump in the outside storage area (near the men's room downstairs) probably doesn't work
- Thank you to whoever put in a new light bulb in the downstairs storage area (outside)
 - Should we keep it on all the time so keep the stairs lit in the evening
- What do we need to do to get the light over the church narthex entrance working?
- Do we have any plans to bring in an electrician?
- PECO/energy updates? Joe S/Sr.?
- Faris is working on the HVAC balancing calculations.

f. Ministry Team (vacant)

Young Family Ministries (Caitlin Gordon)

It was wonderful to see so many of you at our Young Families ministry kick off last week. We're energized by the enthusiasm and looking forward to future

gatherings. Attached to this email is a list of upcoming dates for family Vespers and other gatherings so you can add them to your calendar!

To follow up on our conversation at the kick off and to gather input from those who were unable to attend, we have a brief survey we'd like you to fill out. It will help us gauge interest so we can better prioritize which activities to focus on. (Plus, we want to start celebrating birthdays and names days!) :) We're so grateful for the feedback already shared with us, and we'll provide updates on those at our next gathering.

Office Administrator

- We need a Reader and a Greeter for December 10.
